

HEALTHCARE INNOVATION PARTNERS

WE GIVE YOU WHAT YOU NEED TO REMAIN COMPETITIVE WITH LARGE HEALTHCARE PROVIDERS THAT INVEST INTO INNOVATION CENTERS INTERNALLY

The Need

As healthcare continues to become increasingly complicated, innovation and cutting edge technology are becoming necessary to remain competitive and profitable and no longer a luxury for only the giants of healthcare.

The Solution

Our regular intelligence will keep you up-to-date and informed with selected areas, including access to up-and-coming companies, solutions, and services. We will regularly meet with the provider's Board or Management to educate and inform them on new technology trends and innovation gaps that exist.

Sector Focus

Our analysts research the following topics daily to gather industry leading information:

- Artificial Intelligence
- Blockchain
- RCM
- Digital Health
- Cyber
- VR/AR
- Precision Medicine
- Patient Engagement
- Gene Therapy
- Medical Devices
- Fintech
- Telemedicine

Other Services

Subscribers to the innovation service will also have access to additional services offered at a discount:

- Technology gap assessment and implementation
- Help physicians review and commercialize ideas
- Assist providers with capital needs for new ideas
- Opportunities to invest directly into companies

Our Approach

At Lawrence Evans & Co. LLC, it is our job to know and understand what is going on in the healthcare market from company specific solutions to broad market trends, we seek to bring you the news, trends and solutions to the largest problems facing your firm; leaving you to do what you do best. Day-to-day, our job is to follow investment activity in the industry to know what technologies large hospitals are investing in, and we use our proprietary systems to give us this information. Then we meet with the providers and provide the information to you in a couple formats.
